Surface mounted locks

LAKQU2

https://www.locinox.com/en-gb/gate-hardware/locks/surface-mounted-locks/d00000001

High quality gate lock with aluminium housing and stainless steel mechanism. We advise this lock as a standard for all your industrial gates. The 20 mm continuous adjustability of the bolts allows a perfect latching / locking of the mechanism. A solid stainless steel deadbolt with a 23 mm throw guarantees a secure locking. Standard supplied with anodized aluminium handle pair. For a fast and highly precise installation, we recommend using the Drill-Fix drilling jig.
