Standard code locks

LLKZV2

https://www.locinox.com/en-gb/gate-hardware/locks/standard-code-locks/d00000034

Premium mechanical code lock for sliding gates with aluminium housing and stainless steel mechanism. Because no electricity or batteries are required, this system gives you the opportunity to equip any sliding gate fast and easily with access control. The unique Twistfinger and according self-correcting keep guarantees a perfect aligned closing of your sliding gate. For a fast and highly precise installation, we recommend using the Drill-Fix drilling caliber.
