Standard code locks

LOKQY2

https://www.locinox.com/en-gb/gate-hardware/locks/standard-code-locks/d00000036

High quality battery powered electronic code lock with aluminium housing. Valentino's energy efficient design makes it very easy to equip any gate with access control, with a minimal need for maintenance. Pincodes can be easily added, modified or removed. The 20 mm continuous adjustability of the bolts allows a perfect latching / locking of the mechanism.
