This polyamide shroud restricts access to the handle from outside the gate. Compatible with all free exit configurations of our single Europrofile cylinder locks (LA, LP) and with our 3006R-2, 3006KR and 3006PUSH handles. Available in two versions, with (P) and without (Z) untreated aluminium shield plate. The P-version comes with a pre-cut recess for a seamless finish of the lock.
