Protection plates

SHROUD-LF-LO-LN

https://www.locinox.com/en-gb/gate-hardware/accessories-for-locks-keeps/protection-plates/d00000211

This polyamide shroud restricts access to the handle from outside the gate. Compatible with the free exit handle of our mechanical (Free Vinci) and electronic (Valentino and Volta) code locks. Available in two versions, with (P) and without (Z) untreated aluminium shield plate. The P-version comes with a pre-cut recess for a seamless finish of the lock.
